

AI Prompt Writing Activity

Participant worksheet sample

Portfolio sample: original, sanitized, and created for demonstration purposes. No confidential, proprietary, government-controlled, client-sensitive, or internal employer materials are included.

Activity Overview

Learners practice transforming vague AI prompts into clear workplace prompts. The activity can be completed individually, in pairs, or during a facilitated workshop.

Instructions for Learners

- Read the weak prompt and identify what is missing.
- Rewrite the prompt using the Prompt Builder below.
- Test or review the revised prompt against the checklist.
- Share one improvement you made and why it matters.

Prompt Builder

Prompt Element	Question to Answer	Learner Notes
Role or perspective	Who should the AI act as or write for?	
Task	What exactly should the AI do?	
Context	What background does the AI need?	
Format	What should the answer look like?	
Constraints	What should the AI avoid or follow?	
Quality standard	How will you know the output is useful?	

Practice Scenario

Weak prompt: Make this sound better.

Improved prompt sample: Act as a workplace communication coach. Rewrite the following email so it sounds professional, brief, and respectful. Keep the original meaning, use plain language, avoid sounding overly formal, and provide one optional subject line.

Reflection Questions

- What changed between the weak and improved prompt?
- Which prompt element made the biggest difference?
- What should a human verify before using the AI response?
