

Training Evaluation Survey Sample

Evaluation instrument sample

Portfolio sample: original, sanitized, and created for demonstration purposes. No confidential, proprietary, government-controlled, client-sensitive, or internal employer materials are included.

Training Evaluation Survey Sample

This sample can be used after instructor-led, webinar, or hybrid training. It measures learner reaction, confidence, perceived usefulness, and transfer readiness.

Question	Response Type
The training objectives were clear.	1-5 Likert scale
The facilitator explained the content in a way I could understand.	1-5 Likert scale
The activities helped me practice the skill.	1-5 Likert scale
I feel confident applying this skill on the job.	1-5 Likert scale
The job aid or resources will help me after training.	1-5 Likert scale
What is one thing you can apply immediately?	Open response
What topic needs more practice or explanation?	Open response
What should be changed before the next session?	Open response

Use of Feedback

- Identify content that needs revision.
- Track confidence before and after training.
- Flag support needs for follow-up coaching or job aids.
- Inform updates to examples, scenarios, and practice activities.
